13-15 October 2010

AQNL Nurse Leaders Conference "Nurse Leaders - True Gems"

Location: Brisbane Convention & Exhibition Centre

Nurses have a substantial influence on health and our health systems. To encourage advances in nursing management and leadership, it is critical that innovations in nursing leadership, culture, process, research, education, models of care and systems are shared. This Conference gathers together a range of notable national speakers including nurse leaders in health executive, management and teaching roles to consider some of these compelling issues.
